Supervisor Knabe made the following statement:

“The County of Los Angeles promotes clean air options – carpool, light rail, park and ride, vanpool, rideshare, etc. – to its more than 85,000 employees through its Employee Commuter Reduction Program, commonly known as Rideshare, and the Annual Civic Center Rideshare Fair.

“This year the fair is scheduled for Thursday, October 21, 2004, from 9:30 a.m. to 2:30 p.m. on the Mall area of the Kenneth Hahn Hall of Administration. It will feature hybrid vehicles, Segway and flex cars. Pink’s Hot Dogs, a famous local establishment, will be set up in the Mall area and a portion of the proceeds will go to the County’s 2004 Charitable Giving Campaign.

“The annual Clean Air/Rideshare Fair, sponsored by the Chief Administrative Office, Office of Workplace Programs and the Metropolitan Transportation Authority, is an opportunity for employees to sign up to rideshare, experience a simulated train ride, and to learn about vanpools, buses, and other clean air options that are available to them.

“During the year, County departmental coordinators promote the Rideshare Program through a wide range of activities. The monthly ‘Clean Air Bulletin’ is also used to increase employee awareness.”
